

EAST ANGLIA BRANCH 2009/10 PROGRAMME

Timings: with the exception of the Seminar and Workshop, all **BRANCH** meetings have a buffet at 12.30pm, and the meetings themselves are scheduled to commence at 1.30pm.

Friday September 25th 2009

LEV/COSHH/Controls

Speaker: Alvin Woolley,
Alvin Woolley Associates
Location: Abington Institute
High Street
Great Abington
CB21 6AB
Organiser: Robert Higgins
07710998730

Alvin Woolley is an independent occupational hygiene consultant, with over 30 years experience dealing with a wide range of both industrial and non-industrial problems. He has been involved in research into a number of health hazards and has taught occupational health and hygiene at all levels.

Friday November 6th 2009

Accident Investigation; 'getting to the truth'

Speaker: Annette Hall, HSE
Location: Stoke by Nayland Club
Keepers Lane
Leavenheath
CO6 4PZ
Organiser: Andy Bagworth
01480 323557

Annette has a wealth of experience in inspection and accident investigation, gained through a number of years working at the 'sharp end' of the HSE.

Friday December 11th 2009

CDM: A Client's Perspective; the pitfalls and risk management

Speaker: Tim Randell, BSc (Hons)
CFIOSH MIRM CMCIPD
Safety Boss Ltd
Location: World Horse Welfare (ILPH)
Snetterton
Norfolk NR16 2LR

Tim started his career in H&S as an HSE inspector. He then became the H&S Manager for one of the region's largest financial institutions, and is now a Director of Safetyboss.

Organiser: Denis Hands
01485 577625
denis.hands@cskills.org

Tim is CFIOSH, a Chartered Member of the Chartered Institute of Personnel and Development, a Member of the Institute of Risk Management, a NEBOSH Examiner and lecturer on the NEBOSH Diploma.

Friday February 5th 2010

Gas Safety

Speaker: Terry Broughton, Gas Safe
Location: The Cedars
Needham Rd
Stowmarket,
IP14 2AJ
Organiser: Teresa Harrold
07803 131369

Gas Safe delivers a wide variety of training workshops. It has also produced safety DVDs and developed a complete range of e-learning packages for gas users. Terry will discuss how and why accidents occur with gases and how gas users can work in a safe environment.

Friday March 5th 2010

Warehouse Racking Use, Inspections, FLT

Speakers: Colin Hinton, Cowan Associates
Location: Stirling House Conference Centre,
HMP/YOI Highpoint,
Stradishall,
Newmarket,
Suffolk,
CB8 9YG
Organiser: Barbara Back
01394 384642

Colin is a senior consultant for Cowan Associates. He is a structural engineer and specializes in racking inspection. Colin will convey the importance of racking inspection for all workplaces.

Friday May 7th 2010

Branch AGM – start time 13.00

Speaker: John Holden, IOSH President
DSEAR with a bang
Speaker: Denios
Location: The Shropshire Group
Barway

Please note that venues, speakers or subjects may change at short notice, due to circumstances beyond the organisers' control.

For the latest information on East Anglia Branch events, venue maps or directions, refer to the website: www.iosheastanglia.co.uk or to the Branch newsletter.

Branch Workshops

A small but extremely active working group on the Branch Committee is always busy organising workshops for the membership. On average, there are 3 to 4 workshops per year. These are low cost - sometimes free of charge, and they cover a wide range of interests. They are usually practical and participative.

Watch the Newsletter and the Branch website for further details.
